Esther NAHIMANA

Hospitality & Customer Service Professional | Business Information
Technology Student | Bilingual (English & French)
Kigali, Kigali City, Rwanda

Summary

I am a dedicated hospitality and customer service professional with experience in food service, sales, and guest relations. With a background at The Monor Hotel and Premier Bet in Kigali, I have developed strong skills in communication, problem-solving, and teamwork. Currently pursuing a Bachelor's degree in Business Information Technology at the University of Kigali, I bring a unique blend of technical knowledge and customer service expertise. Fluent in French (C1) and proficient in English (B1), I am passionate about delivering exceptional guest experiences and eager to grow my career in the international hospitality industry.

Experience

Integrated Computer Network Ltd (ICN)

Salesperson

September 2025 - Present (8 months)

Kigali

Worked as a Salesperson at ICN Integrated Computer Network Ltd, specializing in the sale of computers and electronic devices. Assisted customers in selecting suitable products based on their needs, provided detailed product information, and demonstrated features to enhance buying decisions. Managed sales transactions, maintained product displays, and ensured excellent customer service. Also contributed to achieving sales targets while building strong customer relationships and staying up to date with the latest technology trends.

Bicu lounge

Bartender

August 2025 - Present (9 months)

Kimihurura

Currently working part-time as a Bartender at Bicu Lounge, where I prepare and serve a variety of beverages while delivering excellent customer service in a fast-paced environment. I manage drink orders efficiently, maintain

cleanliness and organization of the bar area, and ensure adherence to health and safety standards. I also build positive relationships with customers, handle transactions accurately, and contribute to creating a welcoming and enjoyable atmosphere for guests.

Grad Tech Group

Software Developer intern

July 2024 - October 2024 (4 months)

Kigali

Worked as a Software Development Intern at Grad Tech Group for three months, where I supported the design, development, and maintenance of software applications. Collaborated with team members to write clean and efficient code, debug issues, and improve application performance. Participated in code reviews, testing, and deployment processes while gaining hands-on experience with modern development tools, version control systems like Git, and agile methodologies. Continuously learned and applied new technologies to contribute effectively to project goals

The Monor Hotel Kigali, Rwanda

Food Server

December 2018 - January 2020 (1 year 2 months)

Explained daily menu offerings, drink specials and seasonal items, making recommendations based on customer preferences. Set up tables with glassware, linens and silverware to prepare tables for service. Wrote patrons' food orders on order slips, memorized orders, or entered orders into computers for transmittal to kitchen staff. Operated POS system to issue bills and collect payments.

Premier Bet Kigali, Rwanda

Sales Assistant

April 2016 - March 2017 (1 year)

Helped customers with specific item requests by answering questions and offering knowledgeable product advice. Maintained clean, tidy and organised checkout areas. Processed payments by cash, cheque, or card to complete transactions.

Papeterie cheap Kigali, Rwanda

Sales Assistant

January 2015 - April 2015 (4 months)

Prepared communications on specific topics for distribution to external customers. Utilized effective communication and persuasion skills to upsell and cross-sell products. Greeted and directed visitors based on their needs. Initiated orders for product replenishment to avoid out-of-stock situations.

Education

University of Kigali

Bachelor's Degree, Computer/Information Technology Administration and Management · (December 2022 - August 2025)
